<sup>1</sup> The complete description of the scope of the order appears in the memorandum from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Certain Circular Welded Carbon Steel Pipes and Tubes from Taiwan; 2015-2016" (dated concurrently with this notice) (Preliminary Decision Memorandum), which is hereby adopted by this notice.

Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

#### Preliminary Determination of No Shipments

On July 22, 2016, Yieh Hsing reported that it made no shipments of subject merchandise to the United States during the POR.<sup>2</sup> To confirm Yieh Hsing's no shipment claim, the Department issued a no-shipment inquiry to CBP requesting that it review Yieh Hsing's no-shipment claim.<sup>3</sup> CBP did not report that it had any information to contradict Yieh Hsing's claim of no shipments during the POR.

Given that Yieh Hsing certified that it made no shipments of subject merchandise to the United States during the POR and there is no information calling its claim into question, we preliminarily determine that Yieh Hsing did not have any reviewable transactions during the POR. Consistent with the Department's practice, we will not rescind the review with respect to Yieh Hsing but, rather, will complete the review and issue instructions to CBP based on the final results.<sup>4</sup>

#### Preliminary Results of the Review

As a result of this review, we preliminarily determine that a weighted-average dumping margin exists:

#### Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

If the weighted-average dumping margin for Shin Yang is not zero or *de minimis* in the final results, then the Department will calculate importer-specific assessment rates. Because Shin Yang did not report the entered value of its sales, we will calculate importer-specific per-unit duty assessment rates by aggregating the total amount of dumping calculated for the examined sales of each importer and dividing each of these amounts by the total quantity (*i.e.*, weight) associated with those sales. To determine whether the importer-specific per-unit assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we will calculate importer-specific *ad valorem* rates based on estimated entered values. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties all entries for which the importer-specific *ad valorem* rate is zero or *de minimis*.

With respect to Yieh Hsing, if we continue to find that Yieh Hsing had no shipments of subject merchandise in the final results, we will instruct CBP to liquidate any existing entries of

merchandise produced by Yieh Hsing, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.<sup>11</sup>

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Shin Yang will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for other manufacturers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 9.70 percent, the all-others rate in the LTFV investigation.<sup>12</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notifications

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping
